

ORDER OF WORSHIP

Sunday, January 29, 2012
Spanish-speaking service in the Chapel at 10:45 am

Our Spiritual Journey
Helps for personal spiritual development

Daily Reading: Sunday, (January 29) Mark 1.21-28;
Monday, Luke 14.7-14; **Tuesday**, Luke 9.57-62;
Wednesday, Luke 14.25-34; **Thursday**, John 6.60-71;
Friday, Acts 4.32-37; **Saturday**, Romans 15-1-13;
Sunday, (February 5) Mark 1.29-39

Suggested Spiritual Exercises: (Select one for the week)

1. Divide a piece of paper into three columns. Title the columns, "For Me," "For Others," and "For God." Each evening, jot down your activities of the day in the proper column. What do you learn about yourself?
2. Look up the "one another" passages in a Bible concordance. Try living out at least one of these during the coming week.
3. Include in your prayers for the week some people who seem to be far from God. Lift them before God, and also ask for God's assistance in being His face to them.

Trying to get healthy can seem overwhelming and complicated. Eat carbs... don't eat carbs. Eat fish... don't eat fish. Pay attention to calories... don't pay attention to calories. All this conflicting information can be daunting and confusing. That's why we've made it simple in the *Made to Crave Action Plan*. Based on the extensive research of Dr. Ski Chilton we've identified the 5 best nutrition choices you can make.

Made to Crave uncovered your want-to....the *Action Plan* uncovers the how-to.

This NEW class will begin on Monday, March 19, at 6 pm in the JSY Café. Cost for class materials is \$15.00 and includes the *Made to Crave Action Plan Participant's Guide*. If you did not attend the *Made to Crave* class in September, please contact Sue Wells to participate in a February Book Borrow to read the book before beginning the *Made to Crave Action Plan*. Please register online at www.johnsonstreetchurch.org or call Lois Power at 325-949-3701.

Thank you for all the prayers, visits, cards, and phone calls for me and for my family during my hospital stay and time out at skilled nursing. Things are improving steadily but slowly.
