ENCOUNTER

REACH
CONFERENCE

FEBRUARY 2024

God is pursuing us. It's something he's done since creation. But his desire to connect with us isn't dependent on our effort. He thoroughly loves us and wants a relationship with each and every person he has created. In this year's reach conference we'll look at what it means to Encounter God... or more importantly, what it means when God encounters us. We'll explore how we might better prepare ourselves for such an encounter, no matter where we are in our lives. After one experience with Him, our lives and our world will never be the same.

ENCOUNTERING GOD THRU BAPTISMAL MOMENTS

Bryan Elliott

Baptism is allowing yourself to be fully enveloped. And it leaves you changed. God leaves his mark on those he envelops. In this class we'll look at moments in scripture where people were fully enveloped by God, and discuss ways that we can prepare to encounter Him in those life situations that immerse (and sometimes overwhelm) us.

Room 217

ENCOUNTERING GOD IN COMMUNION

Trey Smith

Communion is the place where Jesus encouraged his followers to remember. It's the place where we encounter the living memory of God's years-long encounter with us on earth. In this class we'll learn what it looks like to prepare ourselves to encounter God in the routine, ordinary, and mundane moments in our lives.

Fellowship Hall

ENCOUNTERING GOD THEN AND NOW

Todd Lewis

Moses at Mount Horeb. The Samaritan woman at the well. The disciples on the road to Emmaus. Saul on his way to Damascus. The Bible is full of examples of people who had unexpected encounters with God. What can we learn from examples like these, and how can that prepare us to encounter God today?

Room 215

ENCOUNTERING GOD THROUGH COMMUNITY

Sam Young

Intentionally or not, we are all part of a community. Have you ever thought about looking at your community as a place to encounter God? Or a place where He can encounter you? What would it look like to purposefully put ourselves in the position to meet with God in the midst of other flawed people? Join our class community and find out.
