**“A Youth group is not only about your teenager. Youth ministry, done well, includes and impacts the entire family. Practical Wisdom for Parents is not a book about how to make your teens sit down and have a family devotional. Instead, this book will help you and your teen thrive and flourish during these important years.”**

**Brady is encouraging all youth group parents and surrounding adults to read this book, by David Frazee & Walter Surdacki:**

## "PRACTICAL WISDOM for Youth Group Parents"

**This book will help us find different ways to impact our students and build a vibrant and sustainable youth program. Books will be available at no cost by filling out the form on the church app (you can find it by using the QR code below) or calling the office to request a copy.**
