# Listen: San Angelo Speaks

## *Conversations with San Angelo Civic Leaders*

Just as you have an Oikos, Johnson Street Church has one, as well, our community. During our Summer Speaker Series, we'll get to see just how well we know San Angelo. Join us to learn behind the scenes information about our community and where and how you can get involved in blessing the Johnson Street Church Oikos.

The 2021 Summer Speaker Series will highlight four areas of community significance surrounding the local Foster Care crisis, the state of our Minority Community, the health and well-being of local Law Enforcement, and our closest neighbor, Angelo State University. There will be a brief Q & A following each speaker. Each evening will conclude with refreshments on the front lawn.
