## HAPPY HALLOWEEN

The very 1st Annual Johnson Street Church Trick-or-Treat event is taking place on Halloween, Saturday, October 31. This is an event to help provide a safe way for our Johnson Street Kids and their families to Trick-or-Treat this Halloween. We will do this by creating a list of Johnson Street members who are willing to list their house as a safe place for kids to visit on Halloween. This event will take place from 5 - 8 pm.

If you would like to register your home to pass out candy to Johnson Street kids, please do so by clicking on the "House" form and filling out all the information. All of your info will be kept private, except for your home address. We will create a private list of home addresses to give to JSK parents and guardians who sign their kids up to Trick-or-Treat. If you are in need of some extra candy, we will be taking donations of candy from other church members leading up to this event. You can indicate if you need candy on the registration form, and we will help get some of the donated candy to you.

If you would like for your child to participate in this fun evening of trick-or-treating, please fill out the "Parent/Guardian" form and provide us with all of the necessary information. This will give us a head count on how many kids to prepare for. It also allows us a safe and secure way to send you the house list for trick or treating.

If you would like to help, but aren't able to pass out candy or don't feel safe doing so, you can donate bags of candy by dropping them off at the church. We have a donation box in the church foyer for this event. These donations will help supply some of our homes with some extra candy to pass out.

We will be sending out further instructions on Tuesday, October 27 to home volunteers and to guardians of kids who registered. These instructions will include how to indicate that your house is "participating" and what you should look for when trick or treating as a family. We will have more information to come leading up to this event. If you have any questions, please reach out to Greg Jaynes or Elizabeth O'Briant.
