

Quarterly Mission Report to the Congregation

Thank you for continuing to pray for the Missions Committee as we seek to represent the heart of this congregation through support for foreign and regional missions. This has been a busy quarter. During the summer we had two sessions of the GO: Missions class. Four short term mission requests were submitted and funded for individuals to go and work with the CURA team. Multiple long term requests were submitted and two were chosen to add to our support list. Kent Brantly, brother of Chad, will be returning to Africa to undertake a medical mission in Zambia. Regionally, Roy and Tiffany Rhodes, former JSCC members, will be moving from Houston to Temple, Texas to help plant a congregation in a disadvantaged area of that city. We will partner with these works for the next two years. Missions Sunday will be held in late March 2020. Please continue to be in prayer about your participation in that upcoming day of giving. Many of you pledged and continue to participate in monthly on-line giving specifically for missions and we are thankful for your continued commitment to the mission works which we support around the world. The Good News is active and moving! As always, if you have questions or comments, please email us at: missions@johnsonstreetchurch.org
