

## Quarterly Mission Report - February 2020

The five main mission efforts that Johnson Street supports continue to bring good news about the way that the Gospel message is making an impact all over the world. BICA has accepted 20 new students for the year and will train them for evangelism. In 2019 BICA reported that 1833 individuals were baptized! Phyllis and Antenor Goncalves continue the work in Itu, Brasil. They have added a new ministry which is supporting ministers all over South America. Jennifer Ashlock, who we have been so blessed to have with us for a while, continues to lead the Kitale Children's Home. She plans and supports the children there through leadership service projects and teaching them about the love of God. Kent and Amber Brantly are in Zambia working with a medical ministry; they have overcome multiple hurdles to re-enter this mission field. Roy and Tiffany Rhodes continue the work with Impact church in Temple, Texas which serves an impoverished region of the city. Please continue to cover these works in prayer. The coming weeks will be exciting as we hear more from these missionaries. We covet your prayers as Mission Sunday draws closer. Be prepared with your gift Sunday, March 29, 2020.
