

Part of our Wednesday night program this holiday season will be to go into our community and bless some of our “front line” people. We want to go to every fire station, the police department and the sheriff’s office and the two hospital ERs. Not only do we want to literally thank them and pronounce a blessing on them for their work, but we want to give them stuffed animals or toys (new or gently used) they can give to children they come into contact with in difficult situations. So, clean out your toy box & drop off all items by December 1. Then on December 4, teams will go out into the city with these opportunities and more. Thanks in advance for your support. Blessings, Bryan
