Dear church family ...Thank you so much for all the prayers that were offered in regard to the healing of our newest grandchild, Billy Jack Huey. As many of you know there was reason to believe Jack would require heart surgery after birth. Because of your prayers for his healing, he was found to have a healthy heart. What was seen in utero was no longer there! God's healing hand can be the only answer and we are forever grateful for all of your prayers. Jack is one month old this week and growing like a weed. His follow up check ups have revealed a perfectly healthy little heart. We thank you from the bottom of ours. Bill, Nada, Neel & Kate Huey
