

WE'RE SO GLAD YOU'RE HERE!

Thank you for choosing Johnson Street as your place of worship today. May God bless this time together and our worship be in Spirit and in Truth. Here is some information that may be helpful to you...

GET CONNECTED

Whether you are new or have been coming for a while, we would love for you to fill out a **Connect with JSCC** Card. You can find the connect form **online** using the QR code on the back of the pews, or you can drop by the **CONNECTION CENTER** located between the front doors in the lobby and fill one out there. No one is planning to drop by your house - but having your information allows us to take care of you if you ever need anything

Find More ways to connect on the back page!

Children are a gift from God, and your child is invited into a space with loving adults and where the smallest baby to the biggest kid can find an environment with their age and stage in mind.

SPACES FOR OUR LITTLE ONES

You'll find a fully **staffed nursery** for infants and toddlers up to 4 years of age available every Sunday during both class time and worship, as well as during Wednesday evenings class. The nursery is located down the hall from the lobby, and one of our attendants at the Connection Center will gladly show you the way there.

There is a **Nursing Mothers' Room** available to the mothers of young children in the congregation located out the left front side doors of the auditorium. *We would like to kindly remind everyone that the designated nursing mothers' area is a private space intended for breastfeeding or pumping. Thank you for helping us support a respectful and comfortable environment.*

There is also a **Sitting/Soothing Room** where others can take a child that needs a quiet space. This is in the former Parlor (past the women's restrooms off the lobby on the way to the Nursery).

Buddy Bags are available on the left credenza in the lobby. Buddy Bags were created to accommodate those with sensory sensitivities and/or active bodies and hands to use during Sunday morning worship while in the building. Noise reducing headphones are available to check out at the Connections Center. **Please return All headphones, Buddy Bags, and contents to the return basket at the end of service.**

Celebrate our high school graduates! Nursery and children's classes will meet as normal, however adult classes will not meet. Instead, we invite you to visit our 2026 graduates in the Fellowship Hall to grab a snack, stop by their grad tables, see all their accomplishments (and maybe a cute baby picture or two), and encourage these young adults to seek God in all they do!
